Sir:

An Amendment After Final was faxed to the Patent Office on July 18, 2003. However, the Amendment After Final, along with a declaration and exhibit does not appear to be entered in the file. Furthermore, the file is marked in the PAIR system as being

"lost". A copy of the previously filed amendment is included with the attached RCE. Various follow-up phone calls to the Examiner and the Director's Secretary were made along with additional fax transmissions of the attached Amendment After Final. Since the application does not seem likely to be found in the foreseeable future, Applicant's representative has chosen to file the attached RCE with a two month extension.

If any additional fees are due, please charge our office Account No. 50-0541.

Respectfully submitted,

CHRISTOPHER P. MAIORANA, P.C.
